Frying Pan Tika, Cast Iron, 25x5 cm

Cook with liquid. This cookware isn't suitable for dry cooking. Always use oil, butter, or liquid in the pot before you start cooking; Season the edges. Your enameled cast iron pot doesn't need to be completely seasoned like a traditional cast iron pan. There is, however, a thin border of exposed cast iron along the rim of the body and lid that needs to be seasoned in order to protect the surface; Suitable for all cooking hobs - electric, gas, ceramic, halogene and indiction; Oven safe; Don't put in dishwasher!
