- Energy saving fast heating
- Hot water available in seconds (temperature 30-60°C)
- Design operating with low water pressure (0.04Mpa-0.5Mpa)
- Install only in rooms with ambient temperature above 0°C
- Mount only on residual current protection networks
- Protection class IPX4
- Flexible soft touch silicone hose
- Flashing operation indicator
- Wall mounting
- 3000-3600W, 220-240V / 50-60 Hz
